Plant Description (use separate sheet, if necessary):
Producer agrees, during this seed certification, to the following:
a. All actual expenses incurred by inspector and others will be paid by the producer. Included are per diem and transportation. (Section 4-67-16(c), Administrative Rules, Chapter 67, Seed Rules, Title 4, Depart- ment of Agriculture.)
1) Whenever possible, prior approval of the producer will be received before expenses are incurred.
2) Whenever possible, expenses will have written receipts which will be given to the producer.
b. The producer is responsible for contacting appropriate agencies for Interagency seed certification.
 Requests for Hawaii and Interagency certification must be made at least 30 days in advance of first inspection.
d. Requests for OECD certification must be made at least 30 days in advance of initial planting.
e. The inspector shall set a tentative schedule for inspections. The producer is responsible for contacting the inspector at least one week in advance to confirm inspection dates.
f. Certification will not be considered complete unless all necessary forms are filled out and necessary inspections completed.
g. Producer is responsible for meeting plant quarantine requirements for the respective State or foreign country.
